Fall 2012 Cleats & Shin Guards Exchange

- Do you have cleats that are now too small for your little soccer star? Shin guards a little small too? Stop by the exchange at the end of the month and see if you can find a pair that will work better for the upcoming Fall soccer season.
- What you need to do: Bring your old cleats and/or shin guards and swap them for a better fitting pair.
- Don't have any cleats yet? Just stop by and see if we have a pair you can have for the season.
- Do you have some extra pairs of cleats and shin guards in your garage or basement? Donate them to the exchange and someone else will make good use of them.
- The Spring Exchange was a great success and we do still have a surplus of cleats so expect to find the size for which you are looking.

If you would like to *donate* cleats, shin guards or size 3/size 4 soccer balls *early* please feel free to drop them off on the Jester Household front porch (4120 Bexley Drive - Brookfield) prior to the exchange dates.
